What a magnificent start to the 2016 school year! I would like to welcome back all of the families who have been with us for many years and extend a warm welcome to the families of 145 new Kindy children.

We are also welcoming many families who have children in the older years. Welcome to Challis Community Primary School for the start of what is sure to be a year of settled behaviour, engaged learning, goal setting and improved academic achievement. Of course there will be some challenges along the way and we aim to work with parents to address and resolve whatever the challenges may be.

We are welcoming 16 new teachers to Challis this year. Some are replacements for staff who have left the school, others have been appointed because of our increased enrolments and others have been appointed to lead a special project. Already our new recruits have shown a high standard of teaching, care and commitment to the school and if you have a close look at their classrooms you will see the hard work that has been done over the school holidays to ensure children return to a stimulating environment. We have two new transportables positioned near Mallee Block and they are spacious, air conditioned, refurbished and very comfortable for children and staff.

Thank you- Thanks to the P&C fundraising efforts throughout 2015, plus our school Fete and a successful grant submission, we have been able to construct a new shade shelter over the PP play equipment. It is enormous and provides ample shade for the PP children to play safely. A terrific way to spend our funds!

Thank you to all parents who have ensured children are wearing full school uniform. The P and C has worked so hard in selling uniforms that they have sold out of several sizes and are waiting

for a new shipment of clothing to arrive. Teachers are aware of this situation and no child will be given a consequence for not wearing full school uniform. My hope is that by the middle of term 1 we will all be wearing the appropriate uniform and in the meantime, parents can simply purchase a navy blue t-shirt and shorts from any clothing store.

Behaviour- has been excellent throughout week 1 and the children are understanding and following the "Challis Way". Their first responsibility is to make sure they are in class at 8:30 am. A bell now rings to remind everyone to move to class so that they are in the right place at the right time, ready to learn. A terrific start!

Communicating with Parents – in response to feedback we are moving away from relying on the newsletter to communicate information once per fortnight. Instead we will be sending home information though notifications using our school app plus teachers will be setting up various ways of communicating with their parents eg a class FACEBOOK page, Class Do-Jo,

CONNECT etc This will ensure information is communicated directly to parents without relying on pieces of paper to make its way out of the bottom of schoolbags and into your hands. The school newsletter will be sent home three times per term this year, in weeks 2,6 and 10. To stay abreast of all school information please download our school app using the following instructions.

Android's. Search for **Updat-ed** and from the menu select our school. We'll receive your registration request and will need to approve you before your app is up and running.

So what will the app do?

The app's great for sending out alerts and reminders with one of its best features being the ability to save events directly into your phone's calendar. Once you have registered, the School will then activate your application and you're ready to enjoy this new service.

We hope you enjoy being Updat-ed!

Important information to note:

- Parent assemblies will start in Week 4 and have moved to Wednesday mornings, each fortnight, at 9am.
- The school bell rings at **8:30am** indicating that everyone should be in or moving towards their classroom.
- Children need to leave school grounds directly at 3pm each day and at 2:30pm on Tuesdays. Teachers move to staff meetings at that time and are not able to supervise children.
- Now that school has returned, the 40Km rule is in place from 7:30-9am and 2:30-4pm around our school. Please slow down and make sure our beautiful children are kept safe.

New Parent Carpark is Open! – After many years of negotiations and discussions, the Department of Education and Armadale City Council have jointly funded and created a new parent carpark on Braemore Street near the Kindergarten classrooms. Last week the carpark ran smoothly with parents following the "one way in" and "one way out" arrows. On 16th February, the fence will be reinstalled ensuring that a barrier exists between the carpark and the oval, adding further safety for children.

Please do not use the staff carpark for dropping off, picking up or parking at any time throughout the day.

I am looking forward to the year ahead and am keen to continue working with parents to seek your opinion and feedback about the running of the school and our performance.

Stay cool in this hot weather.

Kind regards. Lee Musumeci

I am very excited to become a member of the Challis community, and look forward to assisting and supporting each child's development. I am very passionate about sports also, and look forward to having an opportunity to share my skills and knowledge in this area.

Maxine Galante - M6 Year 6

I was previously working at a school in Flemington, Melbourne, and at the end of last year drove across Australia (all 3,421km) to arrive in Perth for the new year.

Although I studied and worked in Melbourne, I am originally from a tiny island called Jersey in the United Kingdom. It's so small you may not spot us it most world maps!
